This month is deadline central here at The Lounge Suite. It seems we spent too much time last week fantasising about a giant party with all of the girls who we've crammed into this issue. It's not my fault: they're all beautiful, they're all naked and they're all absolutely filthy. Just check out what Taz got up to on her shoot, and what Gemma's career is all about. And as for how far Danielle will go to be next year's *Club* girl of the year? Wow. ♣

Dear Club,
Business trips have never been my thing. But now and again I go over to our New York office and check everything's okay. Actually, the guys are all right, but it's usually one beer after work and then back to a lonely hotel room and a night of tossing myself off in front of some porn channel.

Last time, though, things changed. It was my birthday, and I was feeling pissed off – I'd had a row with Carla before I left because she likes to see me on my big day. In the end, I spent a few hours crawling some of the city's bars, getting wasted with my colleagues before my boss suggested we take in some lapdancing clubs. I don't feel guilty about watching porn, but paying girls to jiggle their tits in my face falls outside my 'look but don't touch' policy. But that night I wanted to forget all my responsibilities.

We got to the club and a girl came over to pour shots for us. She was petite and blonde, but best of all were her huge tits straining underneath a naughty schoolgirl outfit. A little white shirt was paired with a pleated mini that just skirted her arse and revealed two pert cheeks when she bent forward. Catching my eye, she said "Hi, my name's Cindy. Would you like me to dance for you?" I felt a bit uncomfortable, but at the same time wanted to see Cindy's breasts and bum close up. My cock had already started to swell and I tried to hide my excitement from my colleagues. That was impossible as she danced in front of me, slipping off her top and unhooking her tiny pelmet. Her shaven pussy and see-through panties turned me on and when she wiggled her buttocks in my face I imagined her getting moist. I was desperate to reach out and get my mouth round the nipples she was thrusting towards me, but I knew the rules and five minutes later my dance was over, leaving me with a huge erection.

We stayed for a while, and though I imagined I kept catching Cindy's eye as she serviced other men round the room, I knew it was another frantic wank in the hotel for me. The others drifted home to their wives, and I headed for the gents. I was standing at the urinal in the empty loos when someone squeezed my arse. Understandably alarmed, I shot round to find Cindy before me, still in her great get up. "I've decided to give you a private dance," she whispered while pushing me into the cubicle. I had no idea whether the guys had slipped her some more cash, or whether she'd noticed my admittedly large dick and fancied trying it for size. Nor did I care, I was so determined to get inside her.

Suddenly she was no longer the submissive schoolie. She grabbed my hands and placed them on her tanned tits, ordering me to squeeze her nipples hard. I obeyed and she moaned in appreciation before releasing me from my trousers. My cock stood up stiffer than it had ever been, the end swollen and shiny with pre-cum. I thought I was going to explode with excitement as she alternated between sucking my balls and as much of me as she could fit in her mouth. I thought I could hear someone coughing awkwardly in the next cubicle, but I didn't care who heard me.

I didn't want to cum before I had had a chance to bang her, but suddenly the sight of her servicing my prick while simultaneously working her snatch with her fingers was too much. But before I could fill her mouth she twisted round and spread her arse cheeks. I saw her bumhole stretch and then she was sitting down on me,

THE HOLE TRUTH

Dear Club,
…Could it be in reflection (sic) on the *Club* Girl of the Year results that the penny finally drops as to what readers like myself want are more UK models in magazines like *Club*. Your arguements (sic) in the past about the difficulty of featuring UK models are hard due to either prudenace (sic), influence of lads mags, strip/lapdancing clubs as you claim ring hollow/false on clear evidence. Many UK models can be seen on various websites…
Anonymous

We feature UK girls whenever we can in Club, but our 'arguments' aren't arguments, they're facts. Just because there are lots of British models around doesn't mean they're being shot for print. Just because they're on websites doesn't mean they're available for print. We can name several models, including some you name (and you also name a few who clearly aren't Club class), who are all over TV and the internet, but won't return the phone calls of top quality photographers. Others are under contract to certain video companies and aren't allowed to shoot for Paul Raymond titles. The world has changed, dear reader, and you know not of what you speak.

RUB TUB!

Dear Club,
Oh god, to be in that tub with Krystal Webb and Danielle Maye! Two of my favourite British girls combined – the only thing it was missing was an appearance from Sasha. That big picture of Krystal tonguing Dani's arse is a keeper – it's just a shame it wasn't the centrefold so I could pull it out. Get these two back again pronto!
Ian, Edinburgh

Yes, that was a hell of a shoot, and two lovelier English girls you couldn't hope to see licking the hell out of each other's pink pafrts. As for getting them back – it could be tricky as Krystal is about to retire from modelling. We'll just have to see what's in the archives. As for Danielle – a little bird (okay, her twitter account) tells us she might be about to do some boy/girl filming. Now that we want to see!

using my cum as lubrication to force me into her. Suddenly she was thrusting up and down frantically, her groaning increasing as I reached round to fill her with as many fingers as I could force into her fanny.

The excitement of being rammed up her narrowest passage kept my rod as straight as possible, and as she forced herself more urgently down on me I could feel myself building to another climax. My second ejaculation finally sent Cindy wild and rubbing herself frantically against my fingers and cock, she came violently as I spurted my hot spunk right into her. There was no explanation as she eased her body off my prick, just a quick thank you and a "see you next time". And she certainly will.

Shooting for that number one spot...

Many girls would be delighted to come third in *Club*'s famous Girl of the Year poll. After all, you've still seen off dozens of red hot babes. But Danielle isn't a girl to settle for third.

"I'm gutted," she confesses. "I'd love to be number one. I can't really complain, because I appreciate every vote I got, and I love Jenny and Sasha, who beat me. I'd vote for them as well, they're lovely. But I plan on being number one next year!"

And how are you going to go about making sure you win? Blowjobs for votes? Is it blowjobs for votes? Please make it blowjobs for votes!

"That's a lot of blowjobs. Maybe I should just give the editor one and he can make sure I win..." ♣

Club's Rough Guide

As the football season draws to a close, Matt Loxham attempts to make sense of a year in which the big guns flopped, the new boys impressed and bankruptcies stole the headlines.

The Premier League

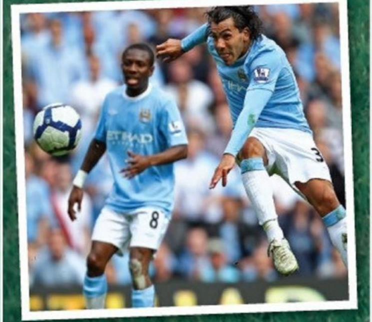
It's been a strange old season for our top domestic clubs, 'the big six' if you like. Manchester United might be in hot pursuit of yet another Premier League title to add to their burgeoning collection, but by contrast their 2011/12 European campaign was an absolute disaster.

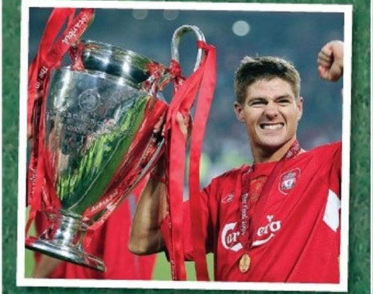
Having reached three of the past four finals in the Champions' League, United shocked the footballing world when they crashed out in the group stages this time around. And if that wasn't bad enough they followed it up by getting knocked out of the second-fiddle Europa League tournament in the last 16; thrashed by Athletic Bilbao. Not what you'd expect from the mighty Red Devils.

United's arch-rivals, both geographically and in the race for Premier League glory, Manchester City, have been equally poor in Europe this season, falling at exactly the same stage in both tournaments and wasting the chance to have bragging rights over their not-so-noisy neighbours.

It's almost unthinkable that the best two sides in England at present should have no involvement in the latter stages of either the Champions' League or the Europa Cup. Indeed, such is the level of expectation for our leading clubs in Europe that even if they were to still be in the Europa Cup it would be considered something of a booby prize. So what's going on in the upper-echelons of our domestic game?

Many have pointed to a steady decline in quality of what is often referred to as the 'best league in the world' (although the Spaniards and the Italians might have a lot to say about that these days), and when you take into consideration the fact that other big British clubs such as Arsenal and Spurs also belly-flopped on the continent this season, they might well have a point. Only Chelsea, who have endured a dreadful domestic campaign by their own high standards, could be said to have done themselves justice in the Champions' League, and even they struggled through the group stages.





The last of the 'big six', Liverpool, didn't qualify to play in Europe this season, and they're having a patchy time of it in the league. But yet they managed to win the Carling Cup and are looking favourites for the FA Cup.

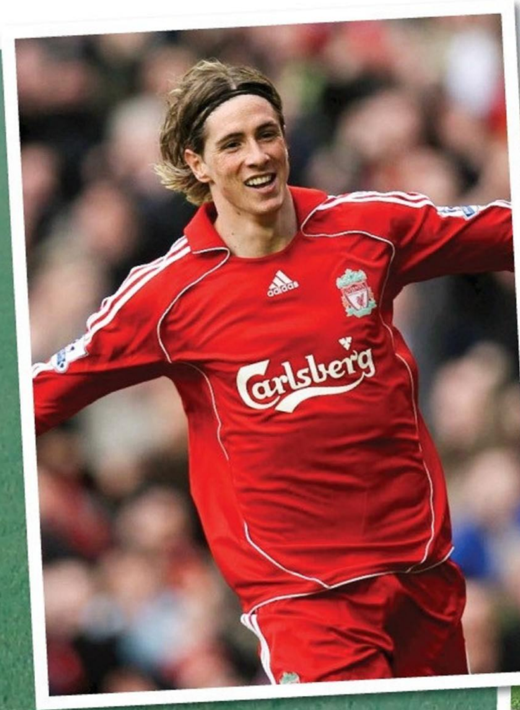
A lack of quality amongst the top teams, no consistency... it certainly doesn't bode well for England's chances at this summer's European Championships.

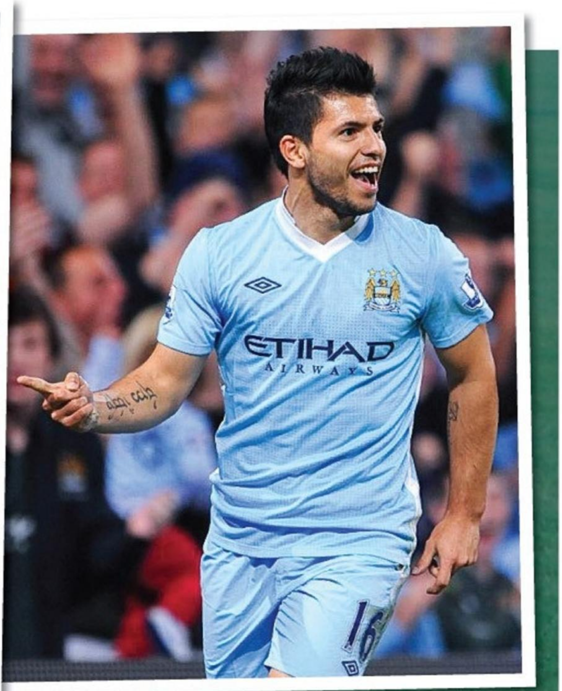
Despite the perceived weaknesses in the Premier League, that doesn't mean the run-in won't still be a thriller. Indeed, if the Premier League can be relied on for anything at the moment it's exciting games with plenty of cracking goals. The title-decider looks likely to be on 30th April, when City host United in what promises to be a pulsating derby at the City of Manchester Stadium.

At the opposite end of the table, Wolverhampton Wanderers look destined for relegation after three years in the top-flight, and for the other relegation places it's a case of pick any two of four from perennial strugglers Wigan, Bolton and Blackburn, and the newly-promoted QPR, who will be absolutely desperate not to slip back down into the Championship at the first attempt after going through all kinds of trouble off and on the pitch in their quest for Premier League status.

The Championship

The battle to reach the 'promised land' of the Premier League is as keenly fought and as exciting as always this season, with the top nine teams all in with a realistic chance of gaining promotion either automatically or through





the lottery of the dreaded play-offs. Such is the prize on offer for the clubs that make it out of the Championship in terms of prestige and riches, the matches that matter can make for as interesting watching as those in the Premier League, if not for quality then for commitment and passion.

The key tussle at the top involves three clubs with Premier League pedigree in Southampton, Reading and West Ham. Southampton have had an incredible season in their bid to bring back the glory days after a turbulent seven year slump that saw them go into administration and sink as low as League One.

Reading spent a couple of seasons in the top-flight before succumbing to relegation in 2008, and they've been desperate to return ever since, although long-term it's difficult to see them as anything other than a yo-yo club, careering up and down between the two divisions. Many teams would settle for that, however.

You might argue that a big player with a big fan-base like West Ham deserves to be a Premier League fixture, but financial troubles and dubious management have seen The Hammers struggle to gain a foothold in recent times. They were relegated just last year – their task is to bounce back immediately and stay there.

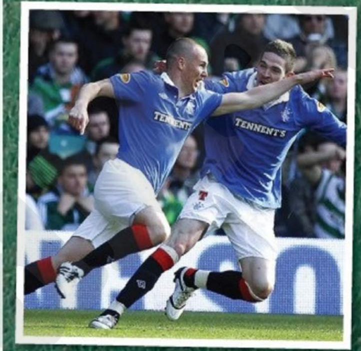
Whichever teams make it into the Premier League will no doubt be encouraged by the increasing success of promoted sides in the top division. Where once they were seen mostly as next season's whipping boys and relegation fodder, these days they're considered more of a force to be reckoned with. Two of the three outfits promoted from the Championship last season – Norwich and Swansea – have enjoyed competitive campaigns and should comfortably survive the drop.

At the foot of the Championship languish Portsmouth, who went into administration this year for the umpteenth time in recent history. Also struggling are the likes of Bristol City, Coventry and Nottingham Forest, big clubs who have enjoyed success at a higher level. How the mighty fall.

Scottish Premier League

Unfortunate events off the pitch have ended up dominating the football news north of the border this season. Well, unfortunate for Glasgow Rangers, anyway, who in February of this year went into administration and as a result were docked ten points and thrust into complete turmoil.

> “Other big British clubs such as Arsenal and Spurs also belly-flopped on the continent in 2011”



That such a giant of the game should get into such a mess with its tax bills came as a huge surprise to the footballing fraternity, although some people weren't quite as bothered as others. Across the city Glasgow Celtic fans celebrated, and not only because their local rivals were going down the pan. The ten point penalty effectively awarded Celtic the championship, and the news came as a much-needed boost for a team that had disappointed on the European stage.

Another club to benefit from Rangers' misfortune has been Motherwell, one of a clutch of teams who are used to playing second-fiddle to the 'Old Firm' of Rangers and Celtic. With Rangers in disarray, however, Motherwell have been presented with a rare opportunity to finish second in the league, break the Glasgow dominance, and strike a blow for the smaller clubs.

Clubs like Dunfermline, who sit rooted to the bottom of the table behind Hibernian, the same Hibernian who were playing in Europe only last season. Football really is a funny old game. ♣

One of the best things about the *Bust Lust* series is that it doesn't stoop to the comically inflated levels of the megaboob babes. No traffic-stopping norkage here, just good-sized, suckable, squeezable loveliness. Liza Del Sierra is an all-round threat – she does anal, she does titfucking, she does killer blowjobs – and here she brings all her skills into play. Anissa Kate doesn't leave anything in the locker either, marking out her territory with an intense DP and soaking up two loads like the cum sponge she is. The worry with these 'Initiation' type films is generally that, if you don't like the main girl, the whole thing is a bust. Well, for starters, that's not a problem here, as Anissa Kate is hot and nasty in equal measures and, if you're not feeling her, they've thrown Adrianna Nicole, Kagney Linn Karter, Brooklyn Lee, Aiden Starr and Sally Charles into the mix. So we get threesomes, raw lesbian action, anal and lots of other delights during Anissa's schooling. Bambi makes her *Club* debut in this issue, but she was so close to never being a model that it hurts.

“I thought the photographer who approached me was a pervert!” she laughs. “He came up to me in the street and said that I’d look wonderful in the nude, and I was about to call for the police when he told me he worked for *Club*. I’d seen a few issues that an old boyfriend has under the bed, so I took his card and told him I’d think about it.”

We’re glad you did.

“I am too. It’s probably a cliché, but I found it really liberating being nude in front of a camera, knowing it was all for *Club* readers. There was only one downside – I was hoping to get to do one of those nice lesbian photoshoots I see in the magazine.”

It must be exhausting being a lesbian. When a man and a woman have sex, there's some oral, but also a whole lot of fucking. With two girls? Tongues, tongues and more tongues. Okay, and some fingers.

"You must be doing it wrong," giggles Natalia. "If you're hitting the spot, you don't need to be licking the pussy all that long – although I love the taste so I'm a bit of a pig for pussy."

"And we have fingers as well," adds Sonia, "and a bunch of sex toys. And, don't forget, the phone numbers of a whole lot of men who'll drop everything to join us."

If ever there was a camera aimed at the home scud market, this is the one, even if that's not quite what Kodak had in mind. So just how does it lend itself to amateur pornographers? Oh, let me count the ways. It can be held in one hand (useful), it takes one finger to operate (handy), it shoots at 1080p (awesome) and, er, you can share your efforts to social networking sites easily (risky). Good portability too, although the downsides include limited zoom on the higher quality settings and a small screen. Still, if your missus doesn't mind you uploading her frotting herself to porntube, have away.

Pros: Simple to use, shoots at 1080p, great price.

Cons: That price means little storage and few functions.

While many people will buy an iPad for 'work', or to watch TV and films together as a couple, let's be blunt and say that most people are merely buying it as a toy. Most of the apps being downloaded aren't functional, they're games. And if we're being so honest, then we might as well go the whole hog and wrap this kit around it, turning it into a mini home arcade game in the process. Yup, download some retro games, and waggle away with the mini joystick until you've got the high score. You might even let your other half have a go.

Pros: Old school brilliance brought up to date. Doesn't need any 10p coins.

Cons: Does need about £100, plus an iPad. That's a lot of 10p coins.

Outdoorsy types aren't all about woolly jumpers and compasses, you know. Some of them like a bit of fancy gadgetry too. And this handheld GPS is fancy with knobs on. It's got some 'rugged' features, such as rain resistance, and is supposed to survive 'puddle immersion'. There's good coverage, and the screen responds to gloved fingers, useful if you're freezing your tits off on the Yorkshire moors. Oh, and there's a 3.2mp camera for taking pictures of drumlins. But that aside, it doesn't do much that a smartphone can't, and doesn't do much that one can.

Pros: Did we already say rugged? Excellent coverage, good battery life.

Cons: Expensive for a GPS with little else to offer. ♣

Well, you're doing a good job so far.

1921, and paranormal skeptic Florence Cathcart (the excellent and most lovely Rebecca Hall) visits a countryside boarding school called Rookwood, invited by headmaster Robert Mallory (Dominc West) to investigate rumours of a haunting. She's committed to debunking such spiritual mumbo-jumbo with scientific method, and soon she's apparently proven the haunting was just a prank. But then the film lurches when Florence has an encounter that has her questioning her eyes, her sanity and her deep-set beliefs.

There's been a return to good old-fashioned creepy tales in cinema recently, a welcome antidote to torture porn, and this would make an excellent triple bill with *The Others* and *The Orphanage* – superb female leads in spooky surrounds and lots of stuff to make her and the audience jump (and for the gents, there's the hugely successful *The Woman in Black*). There's great support from Imelda Staunton as the matron, and West continues to prove that his McNulty in *The Wire* was no fluke. But it's Hall who holds it together, haunted by more than a ghost, her carefully maintained edifice slowly crumbling. A superb performance in an underrated film.

While *Saw* and its ilk indulge in prolonged displays of theatrical violence, *Snowtown* is, in every way, more real. Bunting killed these people, he killed them in the ways depicted, and just as sickening is the way he held mentally and emotionally vulnerable people in thrall. He was a killer with a sense of mission, and Daniel Henshall captures the charisma that he used to persuade and cajole those around him into horrifying acts of murder. It's grim, but damn it's good.

FAVE SEX: Boob banging.
WHAT'S SHE LIKE? All the best things about the EU in one package.

WHY DID YOU WANT TO APPEAR IN CLUB INTERNATIONAL?
I like to read and wank to *Club*, but it's always British girls. We read *Club* in France too!

WE KNOW, WE JUST DON'T GET MANY ENTRIES FROM THE EU.
Well, hopefully I can be the first of many. I know lots of girls who'd love to be in a magazine.

THE MORE THE MERRIER! SO, TELL US ABOUT YOURSELF.
I'm a waitress, I write poetry, I love sex and men love my boobs.

YES. WE'RE MEN AND WE LOVE THEM.
They always want to suck and squeeze them, or have me rub them in their face. And, it goes without saying, they like me to wrap them around their hard dicks. I like that too, wrapping my boobs around a big dick and getting it just right for fucking. Tits give me power, and I use it! ♣

PERSONAL ASS-ISTANT!

As the boss of a large office I've always tried to keep business and pleasure separate. Although I'm sure that most of the staff know I'm a lesbian, I don't discuss the subject and never bring girlfriends to any office parties. Over the years I've inevitably been attracted to some of the women that have worked for me but nobody turned my head as much as the new junior, Chloe. I just couldn't keep my eyes off her slim young body as I interviewed her last month.

She came into my office wearing a smart black suit with a low cut top beneath her jacket. I had to battle to disguise the fact that I was trying to make out the shape of her pert tits through the fabric as I bent over her. Looks weren't the only reason I decided to employ Chloe. She was also very smart. The first few days of her new job were hell for me. I simply couldn't concentrate whenever she was in the same room and felt like a silly girl with a teenage crush. I'd find any excuse for Chloe to work alongside me and after the first week it was generally accepted that she was to be my personal assistant.

Every day, Chloe would turn up for work immaculately dressed in the most beautiful clothes and I fantasised about stripping them from her body. Our relationship was very formal at first, Chloe would address me as Ms Edwards and I can't tell you how much it turned me on. The whole boss and employee fantasy made me madly horny. Night after night I would think about her peachy arse bent over my desk and would play with myself dreaming about how I'd stick my tongue between her cheeks.

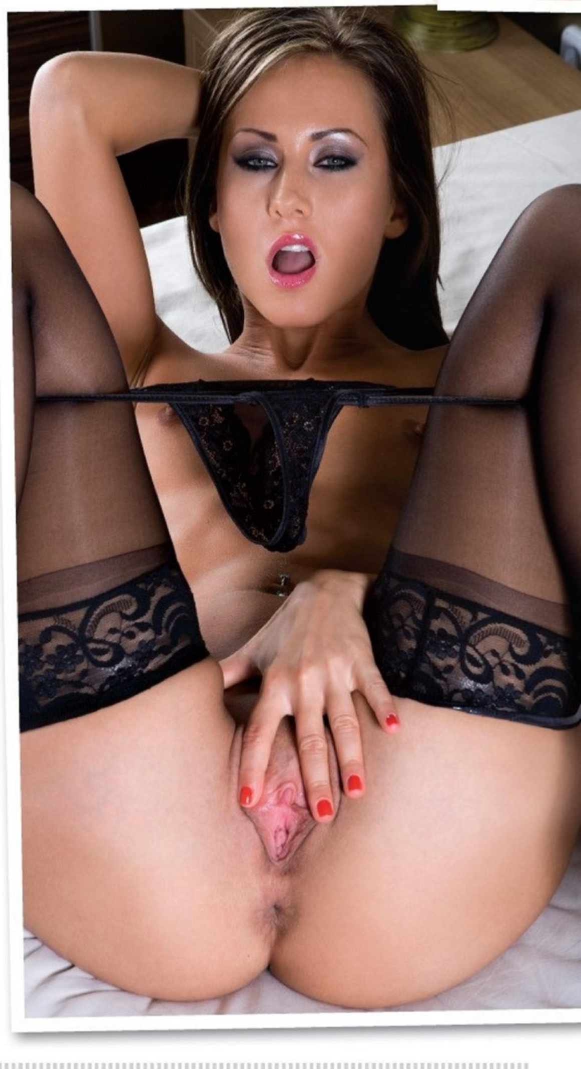
After a while I noticed Chloe never mentioned boyfriends and as we became more and more friendly I eventually asked her if she was romantically attached. "I've given men up after my last one two-timed me," she laughed, "They're so much trouble and are always such a disappointment." This came as music to my ears and although I knew it was a long shot, I wondered if she would be open to the possibility that a woman could give her what she needed.

One night I made an excuse to ask her to stay behind and help me put together some documents. I ordered some food and a couple of bottles of beer and when we had a break we sat down at my desk to eat. By this point we were quite good friends and Chloe began telling me about how she'd found her ex in bed with her friend. Her eyes started filling with tears as she recounted the events leading to the discovery. I couldn't resist slipping my arm around her shoulders to comfort her and for a second I worried she would think I was coming onto her. But to my delight she nestled her head against my chest as she wept quietly.

My nipples stiffened at the thought of her face being so close to my tits and I gently stroked her hair. It must sound like I took advantage of her, but when she eventually lifted her head to look at me I leaned closer to kiss her. Chloe didn't pull away as I'd feared, in fact she came towards me and a bolt of sexual excitement shot through my body. To my absolute delight she slightly parted her lips and began slowly kissing me back.

At the age of 35, I know I'm hardly a pensioner but I felt unbelievably aroused by the fact I was snogging a girl of only 18. Her skin was so soft and I gently reached up to stroke her face as I slipped my tongue into her mouth. Slowly her kisses became more confident and she twisted her own tongue around mine as it explored her mouth. Heady with desire, I decided in a split second to push my luck further and lowered my hand to unbutton her blouse. When she didn't stop me, I slipped my hand inside and gently stroked her boobs through her cotton bra. Her small rosy nipples stood to attention and she made quiet gasping noises as I rubbed them, softly at first then increasingly harder.

I licked and kissed her long neck and nibbled my way down to her breasts. Slipping off her



bra straps, Chloe sat there showing off her gorgeous bare chest and I thought I'd pass out with excitement. She whimpered when my mouth eventually reached her taut nipples and I flicked my tongue across the surface. I took the whole nipple between my teeth and gently chewed it while kneading her flesh with my fingers.

"I've never done this before, Ms Edwards," she admitted nervously, but I was more than happy to share my vast experience. "Don't worry, you'll love it," I whispered, as I hitched up her skirt and found my way inside her lace panties. Her fanny was trimmed in a small neat triangle and her pubic hair was already damp with excitement. I slipped my middle finger between her lips and rubbed against her aroused clit. Chloe moaned and opened her legs wider to give me better access to her cunt and I pushed my finger deep inside her hole.

As I thrust it in and out, she reached out to touch my tits. She fumbled to open my jacket and shirt, then carefully stroked my heavy chest. I couldn't stop the groan that escaped from my mouth as her small fingers explored my boobs. As she grew more and more aroused she began squeezing and groping them harder, just the way I love. As she was still sitting down I couldn't work very well on her clit so told her to lie over the desk. She obliged and I parted her legs to get a good look at her snatch. It glistened with juiciness and I couldn't wait to get my tongue inside. I teased her with my tongue, licking her thighs and labia. Then, breathing in her sweet scent, I let my tongue do its work on her clit. I ground a finger against her pulsating button while I explored her tight puckered arsehole.

I let my mouth wander from her pussy hole to her pink rose and circled her sensitive skin with the tip of my tongue. Chloe squealed in delight and clamped her legs around my face. I slowly stretched open her arse with my tongue and pushed it inside. While I was doing this, I worked away at her clit with my thumb and in a few seconds she started to cum. Her small frame shuddered with the power of the orgasm and I moved my tongue back and forth from her bum to her cunt as she wriggled in ecstasy. While she climaxed I reached between my legs and only had to bump my finger against my pussy a few times to bring myself off. I don't think Chloe noticed my own whimpers, which were somewhat muffled in her fanny.

When I managed to release my face from between her legs, my office girl lay back on my leather-top desk, her legs flopping open in relaxation. From that day on Chloe officially became my personal assistant – in more ways than one…

HAVING A BALL!

I thought my friend Sally was joking when she suggested I hire an escort to accompany me to my work's annual ball. I'd phoned her to moan about my predicament and was angry because I thought she wasn't taking me seriously and was just taking the piss.

I'd recently been promoted and had moved hundreds of miles away from my hometown to work in a new office. After a few difficult weeks, I was beginning to feel quite lonely and the thought of attending a party alone made me feel even more miserable. But Sally insisted her idea would solve my problem. "My mate from work did it once when she fell

> “I stroked the end of his cock up and down the length of my juicy slit”

out with her boyfriend,” she said. “She hired a really cute bloke to take her to a party her boyfriend was going to and he ended up so jealous that he begged her to take him back.” But I wasn’t so sure, “I don’t know if I’ve got the nerve Sally. I’d feel as if everyone knew I’d had to buy a date and anyway, isn’t it like paying for a prostitute?” “Not exactly,” she said, “You’re just paying for the convenience of having a gorgeous bloke at your beck and call. But I have heard some escorts decide to go further if they really like their clients. I think you should go for it, you’ve got nothing to lose,” she said.

I turned the idea over in my mind for a few days but a week before the party I decided I had no other option. The girls in the office were all bragging about their partners and discussing their outfits. I’d never been short of a bloke when I was living at home and was mortified to think people would think I couldn’t get a date. And although I’d have preferred to just make my excuses and not turn up, I knew I had no choice because the boss was planning to introduce me to lots of important contacts. So after a couple glasses of wine, I plucked up some Dutch courage and phoned an escort agency from the small ads in the paper. Once I’d done the deed, I actually started getting really excited about the whole thing. It felt so dangerous and I liked the thought of paying a man to look after me.

For the next six nights, I lay in bed imagining what he’d be like and if he’d offer me more than just his company. On more than one occasion I ended up getting so horny about this mystery date, that I couldn’t help reaching under the covers to play with myself. And even when I was getting showered on the evening of the big bash, I found my fingers wandering down to my begging pussy. I used the powerful, warm jets of water from the showerhead on my buzzing clit and brought myself off twice – all the time fantasising about the dirty things my date would do to me.

Alistair was even sexier than I could have imagined – and it was uncanny how close he was to the way I’d pictured him. He was tall, with brown wavy hair and a great physique. I felt my stomach flip when he kissed me on the cheek and led me into the foyer of the hall, where most of my colleagues were now gathered. I saw my female workmates exchange glances when they spotted Alistair and I proudly introduced him to everyone. I’d had a couple of large gin and tonics before leaving the house so the alcohol had taken the edge off my nerves and I was ready to make the most of the night.

Alistair and me got on really well and I almost forgot I’d paid for his company because we were so relaxed together. At one point when we were laughing he hugged my shoulders lovingly but I tried not to get my hopes built up – imagining he was just doing his job. But when we started dancing closely towards the end of the night, I felt a bulge in his trousers as we brushed against each other. I knew that couldn’t be an act and leaned closer, rubbing my pelvic bone against his crotch. His dick grew stiffer and I could make out its generous length through his trousers. I felt my panties dampen with excitement when he started gently kissing my neck and I gasped with pleasure when he ran his tongue from my collarbone up to my ear. “Let me come home with you Laura. I want to give you even more than you’ve paid for,” he whispered, taking my hand and guiding me towards the door.

My heart was racing by the time we

reached my house, I couldn't believe I was about to be fucked by a man I'd paid to have for the night. It felt amazingly dirty yet I loved the feeling of power and I was absolutely gagging for it.

I just managed to get the front door closed behind us, before Alistair threw me against the wall and started kissing me passionately. His prick was again solid and he seemed just as desperate to get down to business as I was. "Tell me what I can do for you, Laura," he said, groping my pert tits through my dress. I was dizzy with lust but I knew exactly what I wanted to do because I'd been dreaming about it for the last week. I pulled him to the floor and hurriedly unfastened his trousers, unleashing his swollen prick that stood proudly upright, desperate to be relieved. Looking back, I must have looked like such a tart, but at the time I didn't give a damn and my only concern was to get that cock inside of me.

I scrambled out of my soaking lace knickers, hitched up my ball gown and squatted over Alistair's throbbing dick. "I'm going to ride you until I've milked every drop of cream from your balls," I told him. He groaned in anticipation as I stroked the end of his cock up and down the length of my juicy slit, allowing my wetness to drip down his veiny shaft. Then, after a few tantalising minutes, I eased the tip into the entrance of my tight, warm snatch. Slowly, I slid down his pole, allowing my cunt to swallow the entire length of his cock. Alistair let out a deep groan, "Jesus that's good, your cunt is so tight," he moaned.

The girth of his prick seemed to stretch my little pussy further than it had gone before and the sensation drove me wild. Clenching my fanny muscles as much as I could (which always makes me horny and seems to be great for blokes) I started riding on his shaft. Alistair reached up and pulled down the shoulders of my dress so he could grab my big tits while I bounced away on his prick. He rubbed my nipples hard, which sent me even wilder and I leaned forward so I could feel his glans grind against my swollen clit.

As I screwed him on the floor of the hall, I caught a glimpse of myself in the wall mirror. I looked like such a slut, skewered on the cock of a male escort. But I was actually turned on by the sight so much so that I started to cum. Alistair held onto my boobs as I ground down hard on his thick cock and thrust himself into me when I started shuddering to my orgasm. The sensation flooded through my whole body, leaving me quivering in satisfaction.

Yet my fantasy would only be complete after Alistair was satisfied. "Wank on me, I want you to cover my tits in your spunk," I begged, lying back on the carpet. My lover didn't need persuading. He kneeled over my head and his wrist jerked furiously as he wanked his foreskin back and forth. I took hold of my tits and pushed them together, desperate to feel the warm stream of cream on my nipples as Alistair shot his muck.

His eyes scanned my slender body as he tossed himself off and after a couple of minutes I sensed he was about to cream. I opened my mouth, keen to catch a few drops of his jizz. Alistair moaned loudly as his balls released their salty spunk. Streams of the stuff squirted over my massive tits and I even managed to gulp down a mouthful before he collapsed on the floor next to me. I lay there rubbing the sticky cream into my soft skin for a long time after he left, taking with him the pay I'd left on the hall table.

LINA ROMAY

While not technically a porn star (Lina only forayed into hardcore from time to time) Euro horror movie starlet from the '70s and '80s Lina certainly gave naughty-minded men the impetus to wank with her lascivious onscreen behaviour. Born Rosa María Almirall Martínez in Spain in 1954, Lina met trashy but poetic film director Jess Franco in 1971, and the pair of them went on to make over 100 films together. Often, these would be exploitative sex films, softcore and hard, but some of them – *The Bare Breasted Countess*, *Faceless* – are now looked upon fondly for their weird, spooky atmospheres and erotic moments. Lina was clearly into women – many of her films found her burying her head between the legs of her bushy-fannied co-stars. Sadly, Lina died, aged just 57, on 15th February of this year. She will be missed, but as these iconic images prove that she will not be forgotten. Not with that BJ-mouth and those perky tits.

BIRD OFF THE BOIL

YOU WOULD, WOULDN'T YOU? OR WOULD YOU?

THIS MONTH: Kelly McGillis

If you'd told the 15-year-old me that Kelly McGillis out of *Top Gun* and *Witness* would one day be a lezzer and married to a lady, I would have expelled all the jism from my body instantaneously and then refilled and spurted it all out again at once. If, however, you had shown me photos of Kelly in the 2000s, when she joined her gal-pal in a civil union, I would have punched you in the mouth and screamed, "That's not Kelly McGillis! That's not the most beautiful woman on the planet who one day I hope to snog and touch her boobs. Go away, you monster!" But alas, somehow the actress has turned into a grumpy-looking gran. She's only 54, too. Thank God we don't have time machines, cos the 15-year-old me would have to be put in an insane asylum if he could see what the 40-year-old me can see now. Sigh.

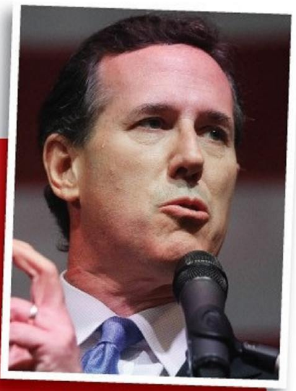
NEWS OF THE SCREWS

YOUR MONTHLY ROUND-UP OF THE BIG STORIES IN THE PORN BIZ

KEEPING WELL FIT

Thanks to researcher Debbie Herbenick, co-director of the Center for Sexual Health Promotion at Indiana University, the study of 'coregasms' (female orgasms brought on by intense physical exercise) are being properly studied, with surprising results. Of the test subjects of various women of varying ages, 40% claimed to have orgasmed during a bout of exercise at the gym, and not because they were just having mucky thoughts, but purely from the (mainly) abdominal exercises they were doing (spinning, biking and climbing poles came high on the list for exercises that could bring em off). I've never been in a gym. I might sign up for one today.

RICK INSANITORUM



US Republican hopeful Rick Santorum (a man no-one in the right-thinking world should ever want to see in charge of a country with an army) is calling for stronger crackdowns on pornography, including a more vigorous enforcement on anti-obscenity laws, claiming that porn causes brain damage, ruins marriages, leads to prostitution and sex trafficking, and "contributes to misogyny and violence against women." The god-bothering candidate doesn't seem to have any hard evidence to back his claims, but seeing as a lot of the bongo we watch here in the UK comes from the good ol' US of A, we should encourage our friends across the pond not to let this man win. Seriously.

THE BIT ABOUT BABES WHO LOVE TO BLOG…

Speaking as a man who likes nothing more than sinking a triple-whisky in the bath at the end of the working day (the condensation masks the tears on my cheeks) I have all the time in the world for a gal who treats herself to a strawberry daiquiri and bubble-bath at the same time. Pity she's married with kids. The MILF in question is Charlee Chase, a titted American blonde lady who, despite her betrothal, spends a fair amount of time making films with names like *Fucked & Facialed on the Floor* and posting pictures of her large bazongas on social networking sites like Twitter. Hers is a feed full of thank yous for her Amazon wish list pressies (seriously, if you want a porn star to say something nice to you, get her something nice off her wishlist), updates on her mucky videos, pics of her tits, and updates about her kids and kittens. Here are a select few:

"Change of plan for tomorrow. Quick breakfast with @LaughingLatina then off to wank a cock or two (or three) then pooling it with best friend"

"What a great morning at the pool :) next time I could use some help! Anyone got some creamy lotion they could rub all over my body!?"

"I'm treating myself to a steamy hot bubble bath and an ice cold strawberry Daiquiri at the same time :)"

Follow Charlee at *www.twitter.com/charlee_chase* for regular updates on how much it costs to fix a kitten's diseased mouth and whatever you do, don't ask her to help you get a job in the porn industry.

Top Five…

Sexy German Ladies

Which of these Frauleins makes your little pocket-officer sieg heil?

5: Diane Kruger
35-year-old Diane has a glittering Hollywood career (*Inglourious Basterds*, *National Treasure*, *Troy*, *Unknown*) – okay, in mostly shit films, and models for L'Oreal and Calvin Klein. We'd like to show her our bratwursts.

4: Claudia Schiffer
One of the original supermodels, which means she's been fit for about 25 years without a break. Claudia might be a little long in the tooth but we'd still like to see her schnitzel.

3: Hana Nitsche
No, we hadn't heard of her either. Turns out she was a runner-up on *Germany's Next Top Model* and she's posed in the nude for PETA. She is fucking lush, end of.

2: Collien Fernandes
Model, dancer, singer, fashion designer and TV host, fuckable Collien made international news when she was ejected from a press conference for asking Lady Gaga if she had a penis. She could have a go on our frankfurters any time.

1: Heidi Klum
Presumably now that this supermodel-cum-TV presenter and Braille-faced warbler Seal have knocked it on the head she's up for grabs. Anyone got a number for her?

PRICKIPEDIA

Sexy sex facts about sex!

The average man will ejaculate 14 gallons of semen in his lifetime (and most of those before he's 20)

54% of men surveyed say they masturbate more than once per day (the remaining 46% were presumably lying or… well, just lying)

In Bahrain, a male doctor may legally examine a woman's genitals, but is forbidden from looking directly at them during the examination. He may only see their reflection in a mirror (at least he gets to see them. Can't remember the last time I did)

When men of the Walibri tribe of central Australia greet each other, they shake penises instead of hands (it says here. I must admit, I'm dubious) ♣

THE GLOBE THEATRE

All the world's a stage, and sometimes famous ladies get their norks out on it...

Our new, regular round-up of the latest celebrity skin begins with a glimpse of Kirsten Dunst's dunsts, and her other lady parts as well. After teasing us as a sexy cheerleader in *Bring It On*, as a moody bird in *Crazy Beautiful* and as *Spiderman*'s other half Mary Jane Watson, she's spent the last couple of years finally letting us see what we'd been dying to see. Remember that stoned dance she did in her pants and vest in *Eternal Sunshine of the Spotless Mind*? Well now you can see those jiggling bits in all their glory in the otherwise dire *All Good Things* and the somewhat better but thoroughly mad Lars Von Trier end-of-the-world drama *Melancholia*. The first delivers boobs, the second delivers boobs and box. And with her bum getting an airing in *Marie Antoinette*, we've now basically had full sex with her. ♣

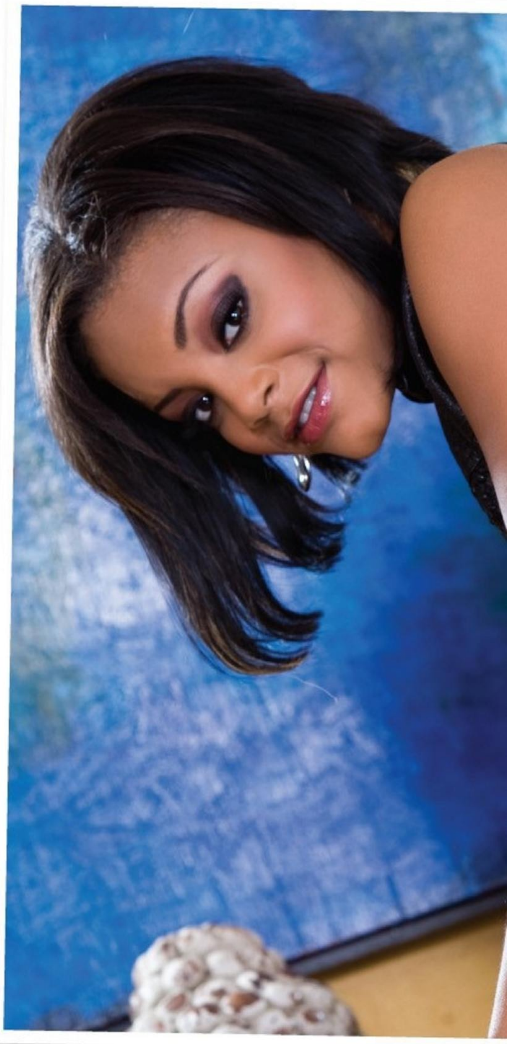
TALES FROM THE REAR!

PEACHES

The place to be for the world's dirtiest backdoor sex stories, where every girl gets a bum deal...



TUSHY TYNE!

I work as a receptionist for a graphics company in Newcastle and I'm being a bit naughty by writing this little story to you during office hours. No one knows what I'm doing. All they can see is the back of the monitor and as long as I'm hitting the keys, they all think I'm busy working!

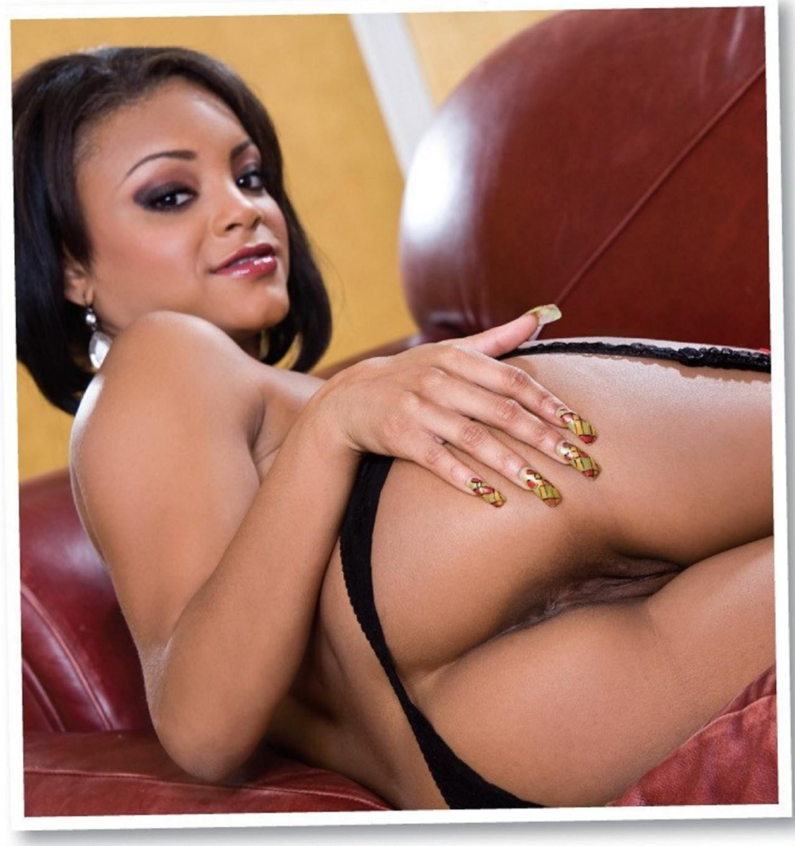
It's making me horny to imagine that this might actually get published. I love the thought of all those delicious guys rubbing their nice hard cocks and getting turned on by what I've written. A lot of my friends are into drugs but I like to stay fit by shagging as often as possible!

When I get back to my little flat after a hard day's work there's nothing more relaxing than to flop on the couch, pull down my panties and slide my fingers between my legs for a nice long rub. I usually fantasise about something wild, like being fucked up the bum or sucking another girl's hard little clit, making her cum in my mouth.

When it comes to kinky sex, I suppose I've been a bit of a late starter. Even though I'm 23, I've only ever fucked seven blokes, and four of those were in the last six months! But now I've really got going, and it's all thanks to my best friend Amy. She met this seriously tasty guy, Matt, about eight months ago. He's a really good-looking guy with a toned body, but to top it all he's got mountains of loot! All down to a rich daddy, apparently. Daddy earns it and Matt spends it, mostly on wild parties.

The first one I went to was at his parents' house, while they were on holiday. What a house! They've even got their own swimming pool! The whole place was full of these really cool people, and by about midnight it seemed to be turning into a bit of an orgy. Not literally, but there were guys with their hands down the front of their girlfriends' pants, girls snogging girls, and in one room there was a guy with two girls and they were both taking it in turns to suck his tool!

It was a job to find anyone that didn't have sticky fingers or a mouthful. All of a sudden Amy dragged me upstairs. She pushed me into this huge bedroom with a massive double bed. I was about to protest when she slipped her arms around my neck and kissed me tenderly on the lips. This was a number one fantasy coming true! I'd always dreamed of doing it with another girl but I never thought that it would be with Amy.

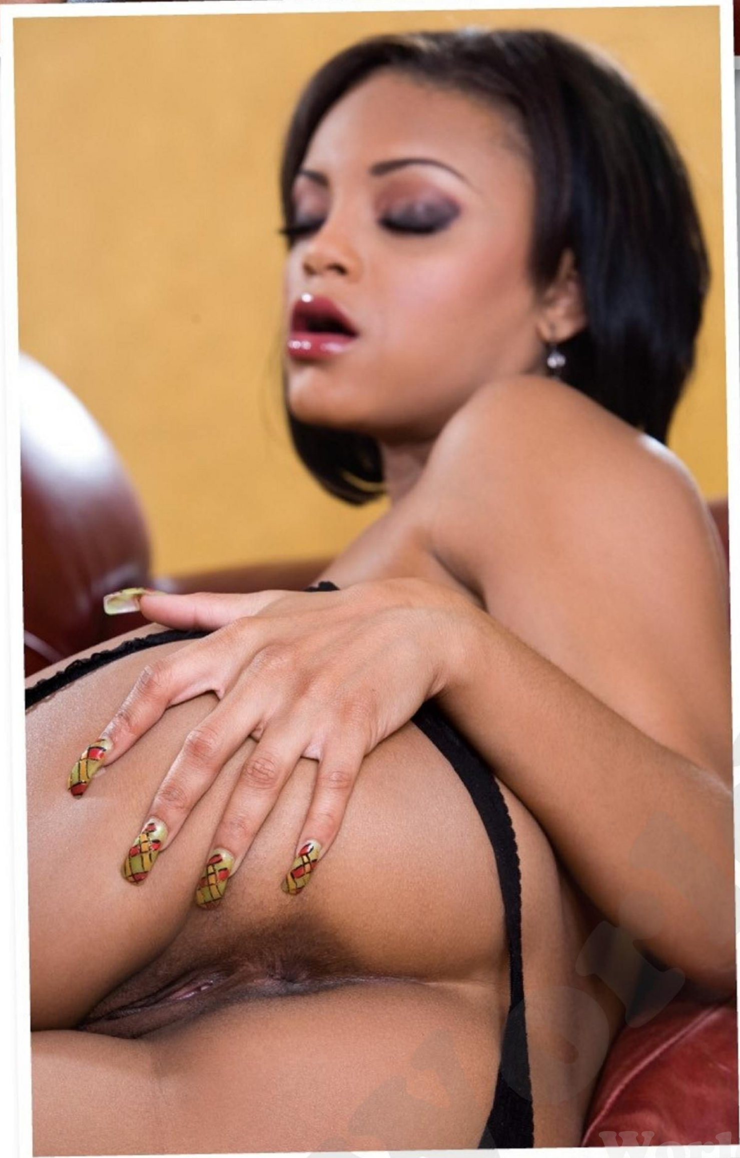


My head was in a spin as her tongue darted in between my lips and I opened my mouth wide so I could snog her really deep. This was my first time kissing another girl and it was absolutely gorgeous. I was instantly turned on, but then who wouldn't be with a girl as horny as Amy? She's six feet tall with long blonde hair and an all-over tan.

We moved towards the bed, pulling at each other's clothes. I heard my dress tear, but I didn't care, in fact it turned me on even more. The wild abandon of it all was extremely sexy. By the time we got to the bed we'd managed to pull most of our clothes off, down to just bra and panties. I flopped back onto the bed with my arms above my head and Amy stood between my legs, smiling down at me.

She crawled on top of me like a predatory animal, her long hair trailing across my naked skin. I was so horny I just wanted her to tongue-fuck me. I put my hands around her slim hips, preventing her from lowering her body down onto mine, delaying that first delicious moment of skin-to-skin contact.

I took her bra and panties off, grabbed her tight little bum and pulled her into me. It made a lovely change to be squeezing another girl's smooth, hairless buttocks, rather than a guy's hairy arse, and I couldn't resist sliding my



> “I started to finger her tight arse, sucking my fingers after every few thrusts”

middle finger up against her tender little bumhole. Her body flattened against mine and we sighed as our bare flesh touched. I spread my legs as her pubic bone ground into mine. Our flat tummies rubbed together and our small, firm breasts pressed against each other, nipple to nipple.

We seemed to have been rolling around for ages when Amy gently broke away and started wriggling down my body. I was trembling with anticipation as her moist lips trailed over my skin and I moaned out loud as her mouth found one of my nipples, sucking and nibbling it better than any guy had ever done.

This was our first experience of girl-on-girl sex and neither of us had much patience for any foreplay, we could always save that for next time! Amy was purring to herself as she licked down over my flat tummy until she was lying between my legs, gently kissing the insides of my slim thighs.

As I looked down over my body at Amy lying there, with her pretty face just inches from my wet pussy, I was aching to feel her mouth around my hard little button. I grabbed the headboard behind me as she licked her lips and pressed her thumbs on either side of my groove, gently parting it to reveal my wet, pink lips. She opened my honey hole wide and I melted with the awareness that I was completely open to her roaming tongue.

I arched my back and gasped with desire as Amy’s long and pointy tongue slid into my wet hole, swiping down to work my tighter bumhole occasionally. She tongued and sucked my pussy as if she was hungry for it and my body froze in ecstasy as she licked me out. I looked down over my tummy to see my hips moving rhythmically against her mouth, in sharp contrast to the rest of my body, which was almost totally still. The way my hips were moving was lewd. At that moment I was feeling more sexually aroused than at any other point in my sex life!

Amy snogged my girlie bits with her eyes closed and her nose pressed firmly into my mound. It was so horny to watch myself fucking another girl’s mouth that I didn’t know how long I could last before I’d climax all over her tongue. Momentarily she broke away and looked up at me with wet lips and a grin on her face: “I hope you don’t mind,” she smiled, “but I told Matt what I was planning to do to you and I told him he could join us.”

I wasn’t angry. In fact I fancied her even more. She was going to share her boyfriend with me and I found that an incredible turn-on. Matt’s a real hunk, so things were just getting better! I decided to really let myself go and moaned loudly as Amy’s wet tongue returned to my pink slit, licking it up and down. I had my eyes tightly shut, so I didn’t actually see Matt enter the room. All I heard was the door close and him saying, “Oh yeah, you two are fucking fantastic!”

I knew that this was going to be the horniest night of my life and I was determined to make the most of it. When I opened my eyes and saw Matt standing next to the bed, naked and rubbing his hard cock, I thought I’d died

> **“The feeling of having my arse filled for the first time was out of this world”**

and gone to heaven!

“Go on then, put it in her mouth,” Amy said, as if to reassure us both that she wasn’t jealous. Before I knew it, Matt was kneeling on the bed next to me with his big stiffy right over my face. I hadn’t even kissed the guy and here I was about to suck his cock! Matt gasped as my long fingers curled around the end of his knob, peeling his foreskin right back to reveal his shiny purple helmet. I felt really dirty, so I told him to fuck my mouth and cum all over my tongue.

Having another girl sucking my pussy whilst her boyfriend fucked my face was just about all I could take, and I was soon whimpering on the end of Matt’s thick and hard cock as my whole body was taken over by an imminent orgasm. I really couldn’t have held back any longer and I ground my pussy harder against Amy’s mouth, moaning deeply as I came in great long shuddering waves. While I orgasmed, Matt’s cock thudded against the back of my throat.

Amy pulled me away from her boyfriend’s cock. I certainly didn’t need any persuasion to get my first taste of a pretty girl’s pussy. I turned away from Matt and pushed Amy onto her back. Her pussy was smooth and hairless, with a neatly trimmed patch of hair framing her lick-tastic fanny. I was so turned on, I thought my heart was going to beat out of my chest. I licked a bit hesitantly at first, but the glistening state and wonderful taste of her cunt soon removed any hesitancy. I pulled her petals apart and glued my lips around her clit, sucking it firmly into my mouth, determined to give her the best orgasm she’d ever had.

I could hardly believe that I was actually having sex with another girl, but as Amy moaned and pushed herself into my mouth, there was no doubting the reality of the situation. Matt knelt behind me and pulled me up so that my bum was sticking up in the air, I wanted him inside me really badly. I wanted him to fuck me while I tongued his girlfriend’s pussy. What I wanted most of all was to feel his hot sticky spunk pumping into my juiced-up love-hole. But the night’s surprises weren’t over.

As I lovingly sucked Amy’s clit, I felt Matt rubbing something cold and wet into my arsehole. I was so horny that I didn’t care what he did to me, and when I realised that it was KY Jelly and he was going to fuck my bum, I just closed my eyes and sighed with sheer pleasure!

Amy was tossing her head from side to side as I rolled her clit around on the end of my tongue and slid two fingers deep into her tight, wet hole. I decided to give her a taste of what I was getting as well and started to finger her arse, sucking my fingers after every few thrusts. I gasped as I felt the tip of Matt’s hard cock press against my anus and I groaned as his bell-end penetrated my bottom. This was wild; I hardly knew the guy, I’d never even kissed him, let alone made love to him, and yet here he was fucking my arse!

Matt gripped my slim waist until his cock was buried to the hilt in my arsehole. I could feel his balls bumping against my pussy, where his cock would normally go, and I just loved the perversity of it all. Amy knew what Matt was doing and it seemed to drive her

even closer to the orgasmic edge.

Matt reached underneath me and began rubbing my clit as he started to build up momentum, until he was fucking me quite hard. My arsehole contracted and gripped tightly around his knob, which made him groan with pleasure. The feeling of having my arse filled for the first time was out of this world. This was going to be a staple of my sex life from then on!

Amy's hips were grinding hard against my mouth and I knew that I was close to making her cum. I ran my hands all over her body, across her breasts and onto her tummy, as my cute friend squirmed against my tongue, switching from pussy to arse and back again. It was such a delicious taste that I knew I would find it difficult to give it up and an hour ago I'd never tasted another girl!

Matt squeezed my hips, firmly pushing his cock right into my tight bum and then moaned out loud as his hot spunk spurted deep inside me, every jet rinsing against the walls of my snug arse. He didn't stop rubbing my clit and I was soon twitching and writhing over his girlfriend's pussy as my orgasm swept through me.

My body was limp as Amy held my head and came in great waves into my open mouth. The taste of her juices was delicious and it was a lovely feeling to have her come in my mouth and Matt's sticky spunk in my bottom. It was the first time in my life that I'd felt well and truly fucked. It was an incredible feeling of complete satisfaction and fulfilment that I'd never had before. And then Amy, the filthy cow, started to eat Matt's jizz from my bum, and things just got horny all over again.

The great thing is that we're still having our little mini orgies and it just seems to get better every time. Amy and I have had quite a few sessions on our own as well. The only problem is, I don't know which I prefer anymore, girls or boys. But as long as both my arse and my pussy get serviced, it really doesn't matter!

TAZ

All that Taz...

Tour Eiffel

Taz won't tell us her real name, but she's happy to share her pussy, arse and tits with the world. Yup, it takes all sorts. Not only that, she got a bit out of control on this photo shoot, started getting off with her (fit, but camera-shy) best friend, and then the two of them basically begged for some cock. We're not the types to kiss and tell, but let's just say they got some. And yet, even as they were swapping jizz from mouth to mouth and licking each other's face clean, Taz still wouldn't tell us her real name. Well, you've got to admire a babe who can keep something like that secret the same day she shows you the trick she can do with a can of coke and her arse... ♣

What our well-placed moles are telling us this month...

DOWN THE WIRE

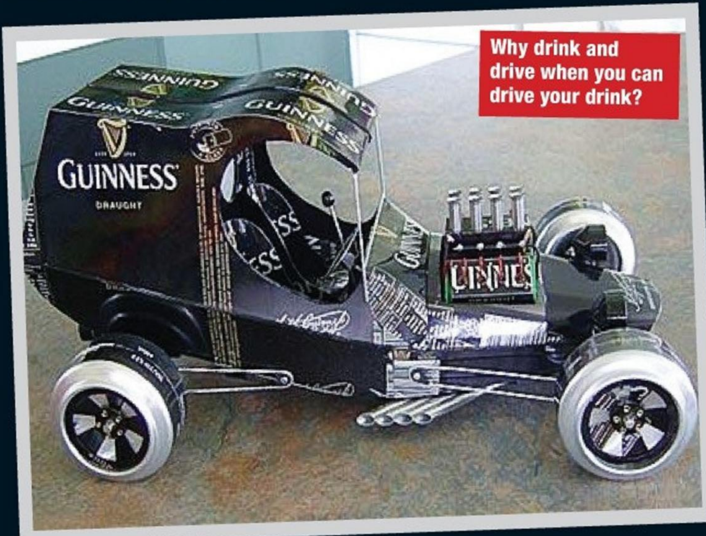
COPSHOTS!

While *Down the Wire* is often concerned with exceedingly stupid criminals, we like to cater to lovers of stories about idiotic police as well. Police like Memphis, Tennessee cop Dion Anthony, who had sex with an 'unknown female' in his squad car recently and inadvertently broadcast it through either his handheld or console microphone. Not only did his colleagues get to listen in on him getting his nut off, but those concerned citizens with police scanners will have been able to eavesdrop as well. Anthony has been suspended, and the police are still deciding whether or not to release the audio to the public. Let's just hope he wasn't giving it to her up the rusty sheriff's badge…

UGH UGH!
CB MICROPHONE

A BRIDGE TOO FAR!

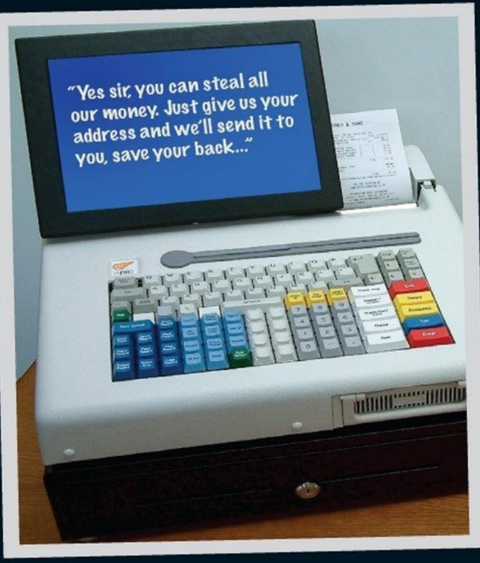
St. Patrick's day is hellish here in London, a day seemingly sponsored by a popular black liquid and populated with plastic paddies coming out of the woodwork. But we can doff our 'comedy' Guinness hats to New Orleans resident Thomas Harter, who got immensely battered celebrating the non-existent Saint. Police pulled his car over and asked him to take a test, and Harter swayed out of his car, wearing a green St. Patrick's day necklace. He agreed, but then suddenly made a break for it and dived off a bridge into the water 20ft below. They retrieved the shivering, soaking pisshead shortly after, and hit him with his eighth drunk driving charge. It's what St. Patrick would have wanted…



Why drink and drive when you can drive your drink?

ROB-A-JOB!

Staying in the realm of moronic crims, 17-year-old Cody Conner dropped a bollock when he decided to stick up a Florida sex shop. Conner walked into Cupid's Corner in DeBary, north of Orlando, pulled a gun out and asked the female shop assistant for all the money in the till. The assistant, one Cheryl Hunter, managed to talk Conner out of the robbery, and persuaded him to fill out a job application instead. They even ended things with a hug and a fag. After Conner left, Hunter reported the crime and the police tracked Conner down from the information he'd supplied on his job application. What a fucking div.



"Yes sir, you can steal all our money. Just give us your address and we'll send it to you, save your back..."

TAXI FOR TREVOR!

After a failed bank robbery in Chamblee, Georgia, would-be robber Trevor Gladston hailed a cab to take him back to where he'd left his car. Gladston told the driver he had to get the money out of his own car to pay her, but she felt he was going to do a runner, so she blocked his car in and alerted a nearby officer. The policeman, unaware of the bungled robbery, persuaded Gladston to go to the bank and withdraw enough money to pay for the cab fare. He returned to the scene of his original crime, was identified by staff and arrested. Note to bank robbers: if you haven't got a getaway car, take a tenner with you. ♣
